SIXTH FORM CURRICULUM

Please read the Sixth Form Prospectus very carefully before proceeding. This can be viewed on the School website.

Each student will study a minimum of **THREE SUBJECTS**. If you wish to study a fourth A Level, please indicate which subject you would like to study, ensuring that it is a subject which offers a possible AS Level at the end of Year 12 – if this is unclear, please refer to the online prospectus for details.

Whilst there is no specific entry requirement for a fourth A Level - it will be at the discretion of Mr Bevan the Head of Sixth Form who will discuss your choice during Sixth Form enrolment at the end of August.

List 5 subjects in order of preference. Two reserve choices are needed because:

- i. We are not certain which subjects will definitely be available. If a subject is undersubscribed, it may not be possible to run that course.
- ii. At present the possible combinations of subjects is not known.
- iii. Some subjects may be oversubscribed, in which case students may have to be offered an alternative.
- iv. If a subject is oversubscribed, then entry to the course is at the discretion of the Head of Sixth Form and the Head of that Department.
