

# QUIZ SUPPER REVIEW

On Saturday 14th May 140 people were delving deep into their minds to find answers to some weird and wonderful questions.

QUIZ?

The fantastic quizmaster and her family had put together 9 rounds of funfilled trivia including tasting (yes tasting) Green and Blacks chocolate ~ *Would you know your Chilli from Cherry flavour?* Board game aficionados ~ *What was the original name of the house in the Cluedo game?* Who is this Hollywood Diva "NO EAGLE IN JAIL"? Could you name that tune? Have you read Alice in Wonderland? *What was the name of the lizard with a ladder?* Are you a Soap buff? *Who killed JR?*

If you were at the quiz you would have found out the answers to these and lots more great questions.

Each table was able to play their joker to double their points on any round and enjoyed a fun 40 question Logo game while waiting for the Quiz to start...Name the god of war and the chocolate bar...Name the American Bus Company.

QUIZ?

We were treated to a Fish and Chips meal, desserts and a cash bar (to help lubricate the brain cells!)

A fun Raffle with prizes ranging from Harlequin vouchers to Wine tasting for 6 people in your own home completed the evening and after over 3 hours of fun people slowly drifted out of the hall.

If you did come to the evening I'm sure you will agree it was a wonderful night, lots of fun and thank you for supporting the school. If you didn't make it this year...you missed out on a great night out....don't miss it next year!!
