

THE
WATFORD GIRLS' GRAMMAR SCHOOL
CHRISTMAS FAIR
SUNDAY 28TH NOV – 11AM TO 4PM

Thank You

You have amazed everyone! Thank you!

What fantastic, supportive parents you all are!! Our Christmas Fair this year has been described by numerous people as "The Best Ever" in terms of fun, creativity, festiveness **AND we made over £15,000 net profit** (Yes you did read that correctly!) I don't think there are many State Secondary Schools in the country that can match that! And it is all down to YOU. Thank you! The range of stalls was mind-blowing, the food delicious, the inspiration and initiative behind the scenes was phenomenal. The help, time, support and commitment from parents was amazing and showed how much we all care about our daughters' school and how we all want to help it move forward.

Donations this year were among the best ever as was your willingness to spend money and have lots of fun.

Thank you to everyone who helped or came along on Sunday 28th. It is a date that will long live in our minds and a figure that will be very hard to beat next year...but with your help and support I know we will rise to the challenge.

With many thanks once again and best wishes for a wonderful Christmas.

Tracey Barraclough
Chair WGGGS PA
