Useful resources for teachers and students of AS and A level Politics

Introduction

Apart from the A and AS level textbook written by Andrew Colclough and others for the new Pearson Edexcel qualifications, there are a number of sources which teachers and examiners have mentioned as being useful when preparing students for AS and A levels. These sources are listed here for those interested to find them quickly. This is not an exhaustive list of resources, nor should it be seen as compulsory to follow during teaching and/or studying.
