

Careers in Policing

Offered by Hertfordshire Opportunities Portal

Suitable for Years 10-13

Our next HOP Careers Webinar is scheduled for Thursday 9th June and will focus on Careers in Policing with Hertfordshire Constabulary. This webinar will be relevant for any students interested in Policing and will help to explain the new Police Constable Degree Apprenticeship route that enables school/college leavers to join as a police officer and achieve a BSc (Hons) degree in Professional Policing Practice. This is a three-year, work-based, practical and vocational degree.

The webinar will also discuss more generally life in the Police Service including the career progression opportunities. Registrations are now open on HOP and further information is provided attached.

Apprenticeship Opportunities in Engineering

Offered by Gravity Media

Suitable for Years 12-13

We're looking out for the next generation of Engineering talent within the Broadcast Media industry. To facilitate this, we're hosting an open afternoon for college/sixth form (years 12 and 13) students who are considering an exciting career within the industry. This will be a perfect opportunity for students to interact with our team, meet some of our engineers to ask any questions alongside seeing our array of specialist equipment. University tutors and students will also be in attendance to answer questions.

This open day will be taking place on Tuesday the 24th of May from 3pm to 6pm at our Watford Headquarters; 32-34 Greenhill Crescent, Watford, Herts, WD18 8JU

If any students would like to attend, please register their attendance by emailing grp-uk-HR@gravitymedia.com along with attendee names.

Virtual Insight Week

Offered by PwC

Suitable for Year 12

Are you interested in a career in accounting, business or technology?

We're delighted to announce the opening of our second application window for our popular Virtual Insight Week, taking place this summer.

Our Virtual Insight Week programme will give you the opportunity to learn more about these areas and develop your employability skills so you feel confident when you start exploring your career. During this action packed week, students will be able to tailor the sessions they attend to their interests, hearing from our people who'll share their stories and answer students' questions.

Almost 2,000 students joined the programme last year and if you think this sounds like it could be of interest, you'll have to be quick, this is your last chance to apply to this year's programme so find out more and apply: <https://www.youtube.com/watch?v=kQVDOKSvLSE>

All you need to know about UCAT

Offered by Medical Projects

Suitable for Years 11-12

Aspiring medicine and dentistry students will soon have to register for their UCAT exam and start their preparation. To help students with the registration process and to show them how to best prepare for the exam, we will be running a UCAT-specific webinar:

Webinar Name: All you need to know about UCAT

Date: Wednesday, June 8

Time: 07:00 PM (UK time)

Location: Online - Zoom

Admission: Free

Suitable for: Students in Year 11 and 12

This will be a live webinar, it will not be recorded and will not be available on demand after the webinar has ended. Spaces are limited so you should book your space early!

Book your free space here: <https://educationprojects.co.uk/project/all-you-need-to-know-about-the-ucat>

NHS Work Experience

Offered by Allied Health Mentor

Suitable for Years 10-12

Charge applies

Students who wish to participate in the NHS Allied Work Experience Programme on Sunday 5th June still have time to register via the following link:

<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

All students will be awarded with a Work Experience Certificate for participating in the day. This is something that they can include in their UCAS and Apprenticeship Applications.

The following healthcare careers will be covered:

- Nursing
- Midwifery
- Paramedicine
- Physiotherapy
- Occupational Therapy
- Dietetics
- Radiography
- Prosthetics and Orthotics
- Speech and language therapy
- Pharmacy!

The virtual work experience day will take place through an online portal and run LIVE from 10am-5pm, following 2 patients from their initial accidents through to recovery. Students will see them interact with a variety of healthcare professionals listed above so that they develop an understanding of the multidisciplinary team as well as insights into their own chosen career.

Students will also have the opportunity to interact with the healthcare professionals via a LIVE Chat function and polls throughout the day!

The cost to attend is £10/student per session or £45 if you book all five sessions, which is just an administrative cost to cover the set-up of individual portals, personalised certificates, safeguarding, the technology on the day, such as our servers and chat functions.

Law Taster Day

Offered by Trinity College, Cambridge

Suitable for Year 12

Our Law Taster Day is also back in-person, and we're extremely excited to offer 60 Y12 students interested in studying Law, a chance to visit Trinity College on the 19th of August. The day will involve taster lectures, an opportunity to meet our Law fellows and current students, as well as admissions sessions and the chance to ask questions about student life, studying law and the application process. We'll also tour you around the College, host lunch in our Hall, and offer chances to meet and chat with other prospective Law students! If you are a Y12 student hoping to study Law at Cambridge, please find the application form here: https://cambridge.eu.qualtrics.com/jfe/form/SV_0kxyv3ZzVUmcgBM

Residential Summer Schools

Offered by Lancaster University
