

Get into Veterinary Conference

Offered by Vet Mentor.

Suitable for Years 10-13

I'm very excited to announce that Vet Mentor is running a free virtual Get into Veterinary Conference on: Sunday 24th July 9:30am - 5pm.

Students can register using this link: <https://airtable.com/shrs1hEiPfdSSgnI2>

The day will include sessions on:

UCAS

CV Building

Accessing Veterinary Work Experience

Writing Your Personal Statement

Veterinary School Interviews

Accessing Veterinary Awards, Prizes, and Leadership Programmes

Applying for Scholarships to study Veterinary Medicine at University

If you have questions about becoming a Vet, this conference is the perfect opportunity to ask them!

Students need to be accompanied by a parent/guardian throughout the conference for safeguarding purposes. But they don't need to book twice! One registration = one booking for a student + parent/guardian.

Construction & Engineering Career Insight Sessions

Offered by Skanska

Suitable for Years 10-13

Skanska are pleased to announce the summer insight webinar series. Hear from speakers about the exciting world of construction and engineering and learn about the different routes into a variety of different careers and the skills and qualities needed to do their job. They will share their favourite projects and career top tips for success.

The session will provide you with an insight into Skanska, careers available within the construction industry, advice on how to ace your job application, and a practical task. You will hear from our amazing apprentices and will receive a certificate of completion if you attend. We look forward to welcoming you on the day

Sessions include:

| | | |

Science and Engineering Session and Work Experience

Offered by Young Professionals & Spectris

Suitable for Years 11-13

Are you interested in a career in engineering / STEM / science?

On **Tuesday 26th July** from **1:00pm - 4:00pm** we're going to be hosting a virtual 'Do you want to be an Engineer' event with FTSE-250 company Spectris.

Employing approximately 9,000 people located in more than 30 countries, Spectris harnesses the power of precision measurement to equip their customers to make the world cleaner, healthier and more productive. They provide global customers with specialist insight through their high-tech instruments and test equipment, augmented by the power of software.

The day will consist of a variety of interactive presentations, going into depth on the different careers in engineering with some fun quizzes and activities.

The following day on **Wednesday 27th July** from **10:00am - 3:00pm** there is the opportunity for an in-person work experience to explore a career in **science** with Malvern Panalytical; a subsidiary company of Spectris, at their headquarters in Malvern.

They have a really fun day planned as you'll be getting to experiment on chocolate amongst other workshops as well as get to meet with current Year in Industry students and apprentices.

Join us for this excellent work experience day and have something really great to add to your CV by clicking the following link to apply: <https://www.surveymonkey.co.uk/r/Spectris-WEX>

Females of the Future

Offered by PwC

Suitable for Year 12

Females of the Future: discover digital careers

Tuesday 12 July, 4.30-5.30pm

Are you in Year 12, interested in a career in technology and want to find out more about the type of work you could be doing to help solve clients' important problems? Join PwC's Females of the Future interactive event to have the opportunity to try out some technology case studies, and find out how you could have a successful career at PwC in the world of technology through our fully funded Technology Degree Apprenticeship. You'll have the chance to hear more from our apprentices and female leaders in technology, ask questions and gain some useful careers advice. Although this session is focused on females interested in technology careers, it is open to all students. Sign up [here](#)

Females of the Future: discover accounting careers

Thursday 14 July, 4:30-5:30pm

Join PwC's Females of the Future event to find out how to kick start your career in accounting. You'll have the chance to work through case studies to get a feel for what it could be like to work in our Audit teams, and how to launch a successful career in accounting via our Flying Start accounting degree programmes. You'll hear from female leaders working in Audit and current students on the programme, you'll have the opportunity to ask questions and gain some useful application advice. Although this session is focused on females interested in accounting careers, it is open to all students in Year 12. Sign up [here](#).

Law Work Experience
Offered by Young Professionals
Suitable for Years 9-13

Do you see yourself as a future legal professional? Perhaps you'd like to become a partner for a huge international law firm?

On **Wednesday 27th** and **Thursday 28th** of **July** from **10:00am - 3:00pm** we'll be hosting a 2-day virtual Careers in Law Work Experience headlined by the University of Law.

We'll be bringing along a number of global law firms including Magic Circle constituents Linklaters and Clifford Chance as well as Charles Russell Speechlys, Freeths, Browne Jacobson, corporate immigration law experts Fragomen and technology and digital world specialists Bird & Bird.

The University of Law is the UK's largest provider of legal education. They deliver legal training to over 90 of the top 100 law firms and they will be running several lecture style sessions designed to give students a taste of what it's like studying law at university.

Following on from the 2 days online, on **Friday 29th of July** the University of Law will be opening up their various campus locations for an in-person law focused day. Their campuses are in: Leeds, Manchester, Bristol, London, Nottingham, Birmingham and Guildford. This in-person day is optional.

Join us for what's set to be a thoroughly engaging insight into the legal world this summer and hear from a range of elite solicitors and barristers from some of the world's most prominent organisations.

Kick off this summer with an excellent addition to your CV / Personal Statement.

Click the following link to sign up: <https://www.surveymonkey.co.uk/r/Law-Summer-WEX>

Real World Questions Essay Competition

Offered by The University of Law

Suitable for Years 10-13

Our essay competition is back for students in Years 10 -13, with some great prizes on offer.

The competition closes on **Sunday 18 September 2022** and we hope this will make a great summer project if you are interested in studying **law, criminology, policing** or **business**.

We want to hear student opinions on the current Real World Questions being asked of business and legal professionals today. For the competition, they will be required to write a 1000 - 1500 word essay, which is based on answering **one** of three question choices.

- **Business question:** Does the world need more entrepreneurs?
- **Criminology and policing question:** Will stop and search protect or polarise our society?
- **Law question:** How is Mental Health protected by the Law and is it enough?

Competition prizes

Business question winner: £1000 cash for the student, £1000 cash for your school, exclusive workshop with PwC recruiters, two hours with our Careers & Employability Director and a Windows 10 laptop.

Criminology and policing and question winner: £1000 cash for the student, £1000 cash for your school, work experience at a top company, two hours with our Careers & Employability Director and a Windows 10 laptop.

Law question winner: £1000 cash for the student, £1000 cash for your school, work experience with the Co-op's Legal Team, exclusive Insight Day at Clyde & Co, two hours with our Careers & Employability Director and a Windows 10 laptop.

Six runners-up will also win a Windows 10 laptop.

For up-to-date prize information on each question please visit the [website](#).

How to enter

Our [website](#) provides useful resources to get students started, along with details on the Judging Panel and the competition Terms and Conditions, plus you'll need to enter the competition via this website before **Sunday 18 September 2022**.
