| First Date of Issue | November 2017 |
| Reviewed on | 19th November 2020 |
| Category | Non-Statutory |
| Next review date | November 2023 |
| Committee Responsible | Curriculum |

1. Policy Aims

This online safety policy has been written by Watford Grammar School for Girls.

The purpose of the online safety policy is to:

- Safeguard and protect all members of Watford Grammar School for Girls community online.
- Identify approaches to educate and raise awareness of online safety throughout the community.
- Enable all staff to work safely and responsibly, to role model positive behaviour online and to manage professional standards and practice when using technology.
- Identify clear procedures to use when responding to online safety concerns.

Watford Grammar School for Girls identifies that the issues classified within online safety are considerable, but can be broadly categorised into three areas of risk:

- **Content:** being exposed to illegal, inappropriate or harmful material
- **Contact:** being subjected to harmful online interaction with other users
- **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm.

2. Policy Scope

Watford Grammar School for Girls believes that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all pupils and staff are protected from potential harm online.

Watford Grammar School for Girls identifies that the internet and associated devices, such as computers, tablets, mobile phones and games consoles, are an important part of everyday life.

Watford Grammar School for Girls believes that pupils should be empowered to build resilience and to develop strategies to manage and respond to risk online.

This policy applies to all staff including the governing body, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the school (collectively referred to as 'staff' in this policy) as well as pupils and parents/carers.

This policy applies to all access to the internet and use of technology, including personal devices, or where pupils, staff or other individuals have been provided with school issued devices for use off-site, such as a work laptops, tablets or mobile phones.

3. Links with other policies and practices

This policy links with a number of other policies, practices and action plans including:

- Anti-bullying policy
- Acceptable Use Policies (AUP)
- Behaviour policy
- Child protection policy
- Data Protection policy
- Safeguarding policy

4. Legislation and guidance

This policy is based on the Department for Education's (DfE) statutory safeguarding guidance, Keeping Children Safe in Education, and its advice for schools on:

- Teaching online safety in schools
- Preventing and tackling bullying and cyber-bullying: advice for headteachers and school staff
- Relationships and sex education
- Searching, screening and confiscation

It also refers to the Department's guidance on protecting children from radicalisation.

It reflects existing legislation, including but not limited to the Education Act 1996 (as amended), the Education and Inspections Act 2006 and the Equality Act 2010. In addition, it reflects the Education Act 2011, which has given teachers stronger powers to tackle cyber-bullying by, if necessary, searching for and deleting inappropriate images or files on pupils' electronic devices where they believe there is a 'good reason' to do so.

5. Monitoring and Review

Watford Grammar School for Girls will review this policy at least annually. The policy will also be revised following any national or local policy requirements, any child protection concerns or any changes to the technical infrastructure

We will ensure that we regularly monitor internet use and evaluate online safety mechanisms to ensure that this policy is consistently applied.

To ensure she has oversight of online safety, the headteacher will be informed of online safety concerns, as appropriate.

The named Governor for safeguarding will report on a regular basis to the governing body on online safety incidents, including outcomes.

Any issues identified will be incorporated into the school's action planning.

6. Roles and Responsibilities

Watford Grammar School for Girls recognises that all members of the community have important roles and responsibilities to play with regards to online safety.

6.1. The governing board

The governing board has overall responsibility for monitoring this policy and holding the headteacher to account for its implementation.

The governing board will co-ordinate regular meetings with appropriate staff to discuss online safety.

All governors will:

- Ensure that they have read and understand this policy
- Agree and adhere to the terms on acceptable use of the school's ICT systems and the internet

6.2. The headteacher

The headteacher is responsible for ensuring that staff understand this policy, and that it is being implemented consistently throughout the school.

6.3. The designated safeguarding lead

Details of the school's DSL and deputies are set out in our child protection and safeguarding policy as well relevant job descriptions.

The DSL is responsible for:

- Ensuring that any online safety incidents are logged and dealt with appropriately in line with this policy
- Ensuring that any incidents of cyber-bullying are logged and dealt with appropriately in line with the school behaviour policy
- Updating and delivering staff training on online safety
- Liaising with other agencies and/or external services if necessary
- Providing regular reports on online safety in school to the headteacher and/or governing board

This list is not intended to be exhaustive.

6.4. The Assistant Head with responsibility for IT

This member of the leadership team will:

- Support the headteacher in ensuring that staff understand this policy and that it is being implemented consistently throughout the school
- Work with the headteacher, IT strategic lead and other staff, as necessary, to address any online safety issues or incidents

6.5. The IT Strategic Lead

The IT Strategic Lead is responsible for:

- Putting in place appropriate filtering and monitoring systems, which are updated on a regular basis and keep pupils safe from potentially harmful and inappropriate content and contact online while at school, including terrorist and extremist material
- Ensuring that the school's ICT systems are secure and protected against viruses and malware, and that such safety mechanisms are updated regularly
- Conducting a full security check and monitoring the school's ICT systems on a monthly basis
- Blocking access to potentially dangerous sites and, where possible, preventing the downloading of potentially dangerous files
- Ensuring that any online safety incidents are logged and dealt with appropriately in line with this policy
- Ensuring that any incidents of cyber-bullying are dealt with appropriately in line with the school behaviour policy

This list is not intended to be exhaustive.

6.6. All staff and volunteers

All staff, including contractors and agency staff, and volunteers are responsible for:

- Maintaining an understanding of this policy
- Implementing this policy consistently
- Agreeing and adhering to the terms on acceptable use of the school's ICT systems and the internet, and ensuring that pupils follow the school's terms on acceptable use
- Working with the DSL to ensure that any online safety incidents are logged and dealt with appropriately in line with this policy
- Ensuring that any incidents of cyber-bullying are dealt with appropriately in line with the school behaviour policy

This list is not intended to be exhaustive.

6.7. Parents

Parents are expected to:

- Notify a member of staff or the headteacher of any concerns or queries regarding this policy
- Ensure their child has read, understood and agreed to the terms on acceptable use of the school's ICT systems and internet

Parents can seek further guidance on keeping children safe online from the following organisations and websites:

- What are the issues? - [UK Safer Internet Centre](#)
- Hot topics - [Childnet International](#)
- Parent factsheet - [Childnet International](#)

-

6.8. Visitors and members of the community

Visitors and members of the community who use the school's ICT systems or internet will be made aware of this policy, when relevant, and expected to read and follow it. If appropriate, they will be expected to agree to the terms on acceptable use (appendix 3).

7. Education and Engagement Approaches

7.1. Education and engagement with pupils

The school has an online safety curriculum, which is detailed in its online safety curriculum document. This sets out a coherent programme for teaching students about online safety.

The school will support pupils to read and understand the AUP in a way which suits their age and ability by:

- Informing pupils that network and internet use will be monitored for safety and security purposes and in accordance with legislation.
- Discussing the AUP with students when they are admitted, and before they are given access to the network.
- Ensuring that those students who are more vulnerable (e.g. those students with SEND) are provided with appropriate explanation of the AUP.

7.2. Training and engagement with staff

The school will:

- Provide and discuss the online safety policy with all members of staff as part of induction.
- Provide up-to-date and appropriate online safety training for all staff on a regular basis. This will be done through safeguarding training, and also through ad-hoc sessions in staff meetings as need arises.
- Make staff aware that school systems are monitored and activity can be traced to individual users; staff will be reminded to behave professionally and in accordance with school's policies when accessing school systems and devices.
- Make staff aware that their online conduct out of school, including personal use of social media, could have an impact on their professional role and reputation within school.
- Highlight useful educational resources and tools which staff should use, according to the age and ability of the pupils.
- Ensure all members of staff are aware of the procedures to follow regarding online safety concerns affecting pupils, colleagues or other members of the school community.

7.3. Awareness and engagement with parents and carers

Watford Grammar School for Girls recognises that parents and carers have an essential role to play in enabling children to become safe and responsible users of the internet and associated technologies.

The school will build a partnership approach to online safety with parents and carers by providing information about safe use of technology. Details of this are in the school's online safety curriculum document.

8. Reducing Online Risks

Watford Grammar School for Girls recognises that the internet is a constantly changing environment with new apps, devices, websites and material emerging at a rapid pace. We will:

- Regularly review the methods used to identify, assess and minimise online risks.
- Examine emerging technologies for educational benefit and undertake appropriate risk assessments before use in school is permitted.
- Ensure that appropriate filtering and monitoring is in place and take all reasonable precautions to ensure that users can only access appropriate material. Due to the global and connected nature of the internet, it is not possible to guarantee that unsuitable material cannot be accessed via a school computer or device.

All members of the school community are made aware of the school's expectations regarding safe and appropriate behaviour online and the importance of not posting any content, comments, images or videos which could cause harm, distress or offence to members of the community. This is clearly outlined in the school's AUP and highlighted through a variety of education and training approaches.

9. Safer Use of Technology

9.1. Classroom Use

Watford Grammar School for Girls uses a wide range of technology. This includes access to:

- Computers, laptops and other digital devices
- Internet which may include search engines and educational websites
- Email

All school owned devices will be used in accordance with the school's AUP and with appropriate safety and security measures in place.

Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.

The school will instruct staff and pupils to ensure that their use of internet-derived materials complies with copyright law and acknowledge the source of information.

Pupils will be appropriately supervised when using technology, according to their ability and understanding.

9.2. Managing Internet Access

The school will maintain a written record of users who are granted access to the school's devices and systems.

All staff, pupils and visitors will read and electronically accept an AUP before being given access to the school computer system, IT resources or internet.

9.3. Filtering and Monitoring

9.3.1. Decision Making

Watford Grammar School for Girls governors and leaders have ensured that the school has age and ability appropriate filtering and monitoring in place, to limit children's exposure to online risks.

The governors and leaders are aware of the need to prevent "over blocking", as that may unreasonably restrict what children can be taught, with regards to online activities and safeguarding.

The school's decision regarding filtering and monitoring has been informed by a risk assessment, taking into account our school's specific needs and circumstances.

Changes to the filtering and monitoring approach will be risk assessed by staff with educational and technical experience and, where appropriate, with consent from the leadership team; all changes to the filtering policy are logged and recorded.

The leadership team will ensure that regular checks are made to ensure that the filtering and monitoring methods are effective and appropriate.

All members of staff are aware that they cannot rely on filtering and monitoring alone to safeguard pupils; effective classroom management and regular education about safe and responsible use is essential.

9.3.2. Filtering

The school uses an RM filtering system, provided through Herts Grid for Learning, which blocks sites which can be categorised as: pornography, racial hatred, extremism, gaming and sites of an illegal nature

Dealing with Filtering breaches

The school has a clear procedure for reporting filtering breaches.

- If pupils discover unsuitable sites, they will be required to tell an adult immediately.
- The member of staff will report the concern (including the URL of the site if possible) to the Designated Safeguarding Lead and/or technical staff.
- The breach will be recorded and escalated as appropriate.
- Parents/carers will be informed of filtering breaches involving their child.
-

Any material that the school believes is illegal will be reported immediately to the appropriate agencies.

9.4. Monitoring

- The school will appropriately monitor internet use on all school owned or provided internet enabled devices.
- All users will be informed that use of school systems can be monitored and that all monitoring will be in line with data protection, human rights and privacy legislation.

9.5. Passwords

All members of staff will have their own unique username and private passwords to access school systems; members of staff are responsible for keeping their password private.

We require all users to:

- Use strong passwords for access into our system.
- Always keep their password private; users must not share it with others or leave it where others can find it.
- Not to login as another user at any time.

9.6. Managing the Safety of the School Website

The school will ensure that information posted on our website meets the requirements as identified by the Department for Education (DfE).

The school will ensure that our website complies with guidelines for publications including: accessibility; data protection; respect for intellectual property rights; privacy policies and copyright.

Staff or pupils' personal information will not be published on our website; the contact details on the website will be the school address, email and telephone number.

The administrator account for the school website will be secured with an appropriately strong password.

The school will post appropriate information about safeguarding, including online safety, on the school website for members of the community.

9.7. Publishing Images and Videos Online

The school will ensure that all images and videos shared online are used in accordance with the associated policies, including (but not limited to): the Data Protection Policy.

10. Managing Email

Access to school email systems will always take place in accordance with Data Protection legislation and in line with other school policies.

- The forwarding of any chain messages/emails is not permitted. Spam or junk mail will be blocked and reported to the email provider.
- Any electronic communication which contains sensitive or personal information will only be sent using secure and encrypted email.
- School email addresses and other official contact details will not be used for setting up personal social media accounts.

Members of the school community will immediately tell the IT manager if they receive offensive communication, and this will be recorded in the school safeguarding files/records.

10.1. Staff

The use of personal email addresses by staff for any official school business is not permitted.

- All members of staff are provided with a specific school email address, to use for all official communication.
-

Members of staff are encouraged to have an appropriate work life balance when responding to email, especially if communication is taking place between staff and pupils and parents.

10.2. Pupils

Pupils will use school provided email accounts for educational purposes.

Pupils will click to accept the AUP when logging onto the system, and will receive education regarding safe and appropriate email etiquette before access is permitted.

11. Social Media

11.1. Expectations

The expectations' regarding safe and responsible use of social media applies to all members of Watford Grammar School for Girls community.

The term social media may include (but is not limited to): blogs; wikis; social networking sites; forums; bulletin boards; online gaming; apps; video/photo sharing sites; chatrooms and instant messenger.

All members of the Watford Grammar School for Girls community are expected to engage in social media in a positive, safe and responsible manner, at all times. All members of the Watford Grammar School for Girls community are advised not to publish specific and detailed private thoughts, concerns, pictures or messages on any social media services, especially content that may be considered threatening, hurtful or defamatory to others.

The school will control pupil and staff access to social media whilst using school provided devices and systems on site.

11.2. Staff Personal Use of Social Media

The safe and responsible use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.

Safe and professional behaviour will be outlined for all members of staff (including volunteers) as part of the school Code of conduct within the AUP.

Reputation

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within school. Civil, legal or disciplinary action may be taken if they are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- All members of staff are advised to safeguard themselves and their privacy when using social media sites. Advice will be provided to staff via staff training and by sharing

appropriate guidance and resources on a regular basis. This will include (but is not limited to):

- Setting the privacy levels of their personal sites as strictly as they can.
- Being aware of location sharing services.
- Opting out of public listings on social networking sites.
- Logging out of accounts after use.
- Keeping passwords safe and confidential.
- Ensuring staff do not represent their personal views as that of the school.
- Members of staff are encouraged not to identify themselves as employees of Watford Grammar School for Girls on their personal social networking accounts. This is to prevent information on these sites from being linked with the school and also to safeguard the privacy of staff members.
- All members of staff are encouraged to consider carefully the information, including text and images, they share and post online and to ensure that their social media use is compatible with their professional role and is in accordance with schools policies and the wider professional and legal framework.
 - Information and content that staff members have access to as part of their employment, including photos and personal information about pupils and their family members or colleagues will not be shared or discussed on social media sites.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared on social media sites conflicts with their role in the school.

Communicating with pupils and parents and carers

- All members of staff are advised not to communicate with or add as 'friends' any current or past pupils or current or past pupils' family members via any personal social media sites, applications or profiles.
 - Any pre-existing relationships or exceptions that may compromise this will be discussed with Designated Safeguarding Lead and/or the headteacher.
 - If ongoing contact with pupils is required once they have left the school roll, members of staff will be expected to use the Alumni network.
- Staff will not use personal social media accounts to make contact with pupils or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Headteacher.
- Any communication from pupils and parents received on personal social media accounts will be reported to the schools Designated Safeguarding Lead.

11.3.Pupils' Personal Use of Social Media

Safe and appropriate use of social media will be taught to pupils as part of an embedded and progressive education approach, via age appropriate sites and resources.

Any concerns regarding pupils' use of social media, both at home and at school, will be dealt with in accordance with existing school policies including Safeguarding, Anti-Bullying and

Behaviour. Concerns will also be raised with parents/carers as appropriate, particularly when concerning underage use of social media sites or tools.

Pupils will be advised:

- To consider the benefits and risks of sharing personal details on social media sites which could identify them and/or their location. Examples would include real/full name, address, mobile or landline phone numbers, school attended, other social media contact details, email addresses, full names of friends/family, specific interests and clubs.
- To only approve and invite known friends on social media sites and to deny access to others by making profiles private/protected.
- Not to meet any online friends without a parent/carer or other responsible adult's permission and only when a trusted adult is present.
- To use safe passwords.
- To use social media sites which are appropriate for their age and abilities.
- How to block and report unwanted communications and report concerns both within school and externally.

11.4.Official Use of Social Media

The school has official Twitter and Instagram accounts.

The official use of social media sites, by the school, only takes place with clear educational or community engagement objectives, with specific intended outcomes.

- The official use of social media as a communication tool has been formally risk assessed and approved by the Headteacher.
- Leadership staff have access to account information and login details for the social media channels, in case of emergency, such as staff absence.

Official school social media channels have been set up as distinct and dedicated social media sites or accounts for educational or engagement purposes only.

- Staff use school provided email addresses to register for and manage any official school social media channels.
- Official social media sites are suitably protected.
- Public communications on behalf of the school will, where appropriate and possible, be read and agreed by at least one other colleague.

Official social media use will be conducted in line with existing policies, including: Anti-bullying, Image use, Data protection, Confidentiality and Child protection.

- All communication on official social media platforms will be clear, transparent and open to scrutiny.

Staff expectations

Members of staff who follow and/or like the school social media channels will be advised to use dedicated professional accounts, where possible, to avoid blurring professional boundaries.

If members of staff are participating in online social media activity as part of their capacity as an employee of the school, they will:

- Be professional at all times and aware that they are an ambassador for the school.
- Disclose their official role and/or position, but make it clear that they do not necessarily speak on behalf of the school.
- Be responsible, credible, fair and honest at all times and consider how the information being published could be perceived or shared.
- Always act within the legal frameworks they would adhere to within the workplace, including: Libel, Defamation, Confidentiality, Copyright, Data protection and Equalities laws.
- Ensure that they have appropriate written consent before posting images on the official social media channel.
- Not disclose information, make commitments or engage in activities on behalf of the school unless they are authorised to do so.
- Not engage with any direct or private messaging with current, or past, pupils, parents and carers.
- Inform their line manager, the Designated Safeguarding Lead and/or the Headteacher of any concerns, such as criticism, inappropriate content or contact from pupils.

12. Use of Personal Devices and Mobile Phones

Watford Grammar School for Girls recognises that personal communication through mobile technologies is an accepted part of everyday life for pupils, staff and parents/carers, but technologies need to be used safely and appropriately within school.

12.1.Expectations

All use of personal devices and mobile phones will take place in accordance with the law and other appropriate school policies, including, but not limited to: IT policy, Anti-bullying, Behaviour and Child protection.

Electronic devices of any kind that are brought onto site are the responsibility of the user at all times.

Mobile phones are not permitted to be used on the school site by students. There are limited exceptions to this for sixth formers, who may use phones in their social and work areas.

The sending of abusive or inappropriate messages/ content via mobile phones or personal devices is forbidden by any member of the community; any breaches will be dealt with as part of our Behaviour policy.

All members of Watford Grammar School for Girls community are advised to ensure that their mobile phones and personal devices do not contain any content which may be considered to be offensive, derogatory or would otherwise contravene the school Behaviour or Child protection policies.

12.2. Staff Use of Personal Devices and Mobile Phones

Members of staff will ensure that use of personal phones and devices takes place in accordance with the law, as well as, relevant school policy and procedures, such as: Confidentiality, Child protection, Data security and Acceptable use.

Staff will be advised to:

- Keep mobile phones and personal devices in a safe and secure place during lesson time.
- Keep mobile phones and personal devices switched off or switched to 'silent' mode during lesson times.
- Ensure that Bluetooth or other forms of communication (such as 'airdrop') are hidden or disabled during lesson times.
- Not use personal devices during teaching periods, unless permission has been given by the headteacher, such as in emergency circumstances.
- Ensure that any content bought onto site via mobile phones and personal devices are compatible with their professional role and expectations.

If staff use personal devices to take photographs of students they will, within one month, transfer these images to the network drive, and then delete the image from the device and any cloud based storage.

If a member of staff breaches the school policy, action will be taken in line with the school behaviour and allegations policy

- If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence, the police will be contacted.

12.3. Pupils' Use of Personal Devices and Mobile Phones

Pupils will be educated regarding the safe and appropriate use of personal devices and mobile phones and will be made aware of boundaries and consequences.

Mobile phones are not permitted to be used on the school site. There are limited exceptions to this for sixth formers, who may use mobile phones in their social and work areas and, with teacher permission, in lessons for work-related activity.

If a pupil breaches the school policy on mobile phones, the phone will be confiscated and will be held by the Headteacher.

Students may bring a laptop or tablet into site, and use this with teacher permission during lesson time, and also during morning break. Full details of this are set out in the IT policy.

12.4. Examining student electronic devices

School staff have the specific power under the Education and Inspections Act 2006 (which has been increased by the Education Act 2011) to search for and, if necessary, delete inappropriate images or files on pupils' electronic devices, including mobile phones, iPads and other tablet devices, where they believe there is a 'good reason' to do so.

When deciding whether there is a good reason to examine or erase data or files on an electronic device, staff must reasonably suspect that the data or file in question has been, or could be, used to:

- Cause harm, and/or
- Disrupt teaching, and/or
- Break any of the school rules

If inappropriate material is found on the device, it is up to the staff member in conjunction with the DSL or other member of the senior leadership team to decide whether they should:

- Delete that material, or
- Retain it as evidence (of a criminal offence or a breach of school discipline), and/or
- Report it to the police

Any searching of pupils will be carried out in line with the DfE's latest guidance on screening, searching and confiscation.

Any complaints about searching for or deleting inappropriate images or files on pupils' electronic devices will be dealt with through the school complaints procedure.

12.5. Visitors' Use of Personal Devices and Mobile Phones

Parents, carers and visitors (including volunteers and contractors) must use their mobile phones and personal devices in accordance with the school's Acceptable use policy and other associated policies, such as: Anti-bullying, Behaviour, Child protection and Image use.

The school will ensure appropriate signage and information is provided to inform parents, carers and visitors of expectations of use.

Members of staff are expected to challenge visitors if they have concerns and will always inform the Designated Safeguarding Lead of any breaches of school policy.

12.6. Officially provided mobile phones and devices

Members of staff will normally be issued with a work phone number and email address, where contact with pupils or parents/ carers is required.

School mobile phones and devices will be suitably protected via a passcode/password/pin and must only be accessed or used by members of staff.

School mobile phones and devices will always be used in accordance with the Acceptable use policy and other relevant policies

12.7. Responding to Online Safety Incidents and Concerns

All members of the school community will be made aware of the reporting procedure for online safety concerns, including: breaches of filtering, youth produced sexual imagery (sexting), cyberbullying and illegal content.

The school requires staff, parents, carers and pupils to work in partnership to resolve online safety issues.

After any investigations are completed, the school will debrief, identify lessons learnt and implement any policy or curriculum changes as required.

If the school is unsure how to proceed with an incident or concern, the DSL will seek advice from the Education Safeguarding Team.

Where there is suspicion that illegal activity has taken place, the school will contact the Education Safeguarding Team or Police using 101, or 999 if there is immediate danger or risk of harm.

12.8. Concerns about Pupils Welfare

The DSL will be informed of any online safety incidents involving safeguarding or child protection concerns. The DSL will record these issues in line with the school's child protection policy.

The DSL will ensure that online safety concerns are escalated and reported to relevant agencies in line with the local Safeguarding Children Board thresholds and procedures.

The school will inform parents and carers of any incidents or concerns involving their child, as and when required.

12.9. Staff Misuse

Any complaint about staff misuse will be referred to the Headteacher, according to the Allegations policy.

Any allegations regarding a member of staff's online conduct will be discussed with the LADO (Local Authority Designated Officer).

Appropriate action will be taken in accordance with the Behaviour policy and Code of conduct.

13. Procedures for Responding to Specific Online Incidents or Concerns

13.1. Youth Produced Sexual Imagery or “Sexting”

Watford Grammar School for Girls recognises youth produced sexual imagery (known as “sexting”) as a safeguarding issue; therefore all concerns will be reported to and dealt with by the Designated Safeguarding Lead.

The school will follow the advice as set out in the non-statutory UKCCIS guidance: ‘Sexting in schools and colleges: responding to incidents and safeguarding young people’ and KSCB guidance: “Responding to youth produced sexual imagery”.

Watford Grammar School for Girls will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of ‘sexting’ by implementing preventative approaches, via a range of age and ability appropriate educational methods.

The school will ensure that all members of the community are aware of sources of support regarding youth produced sexual imagery.

13.2. Dealing with ‘Sexting’

If the school are made aware of an incident involving the creation or distribution of youth produced sexual imagery, the school will:

- Act in accordance with our Child protection and Safeguarding policies and the relevant local Safeguarding Child Board’s procedures.
- Immediately notify the Designated Safeguarding Lead.
- Store the device securely.
- If an indecent image has been taken or shared on the school network or devices, the school will take action to block access to all users and isolate the image.
- Carry out a risk assessment which considers any vulnerability of pupil(s) involved; including carrying out relevant checks with other agencies.
- Inform parents and carers, if appropriate, about the incident and how it is being managed.
- Make a referral to Children’s Services and/or the Police, as appropriate.
- Provide the necessary safeguards and support for pupils, such as offering counselling or pastoral support.
- Implement appropriate sanctions in accordance with the school’s Behaviour policy, but taking care not to further traumatise victims where possible.
- Consider the deletion of images in accordance with the UKCCIS: ‘Sexting in schools and colleges: responding to incidents and safeguarding young people’ guidance.

- Images will only be deleted once the school has confirmed that other agencies do not need to be involved; and are sure that to do so would not place a child at risk or compromise an investigation.
- Review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.
- The school will take action regarding youth produced sexual imagery, regardless of whether the incident took place on/off school premises, using school or personal equipment.
- The school will not:
 - View any images suspected of being youth produced sexual imagery, unless there is no other possible option, or there is a clear need or reason to do so.
 - In this case, the image will only be viewed by the Designated Safeguarding Lead and their justification for viewing the image will be clearly documented.
 - Send, share, save or make copies of content suspected to be an indecent image of children (i.e. youth produced sexual imagery) and will not allow or request pupils to do so.

13.3. Online Child Sexual Abuse and Exploitation

Watford Grammar School for Girls will ensure that all members of the community are aware of online child sexual abuse, including: exploitation and grooming; the consequences; possible approaches which may be employed by offenders to target children and how to respond to concerns.

Watford Grammar School for Girls recognises online child sexual abuse as a safeguarding issue and, as such, all concerns will be reported to and dealt with by the Designated Safeguarding Lead.

The school will implement preventative approaches for online child sexual abuse via a range of age and ability appropriate education for pupils, staff and parents/carers.

The school will ensure that all members of the community are aware of the support available regarding online child sexual abuse, both locally and nationally.

13.4. Dealing with Online Child Sexual Abuse and Exploitation

If the school are made aware of incident involving online sexual abuse of a child, the school will:

- Act in accordance with the school's Child protection and Safeguarding policies and the relevant local Safeguarding Child Board's procedures.
- Immediately notify the Designated Safeguarding Lead.
- Store any devices involved securely.
- Immediately inform police via 101 (or 999 if a child is at immediate risk)

- Carry out a risk assessment which considers any vulnerabilities of pupil(s) involved (including carrying out relevant checks with other agencies).
- Inform parents/carers about the incident and how it is being managed.
- Make a referral to Specialist Children's Services (if required/ appropriate).
- Provide the necessary safeguards and support for pupils, such as, offering counselling or pastoral support.
- Review the handling of any incidents to ensure that best practice is implemented; school leadership team will review and update any management procedures, where necessary.

The school will take action regarding online child sexual abuse, regardless of whether the incident took place on/off school premises, using school or personal equipment.

- Where possible pupils will be involved in decision making and if appropriate, will be empowered to report concerns such as via the Click CEOP report :
www.ceop.police.uk/safety-centre/

If the school is unclear whether a criminal offence has been committed, the Designated Safeguarding Lead will obtain advice immediately through the Education Safeguarding Team and/or Police.

If the school is made aware of intelligence or information which may relate to child sexual exploitation (on or offline), it will be passed through to the Child Sexual Exploitation Team (CSET) by the Designated Safeguarding Lead.

If pupils at other schools are believed to have been targeted, the school will seek support from Police and/or the Education Safeguarding Team first to ensure that potential investigations are not compromised.

13.5. Indecent Images of Children (IIOC)

Watford Grammar School for Girls will ensure that all members of the community are made aware of the possible consequences of accessing Indecent Images of Children (IIOC).

The school will take action regarding IIOC on school equipment and/or personal equipment, even if access took place off site.

The school will take action to prevent accidental access to IIOC by using an internet Service provider (ISP) which subscribes to the Internet Watch Foundation block list and by implementing appropriate filtering, firewalls and anti-spam software.

If the school is unclear if a criminal offence has been committed, the Designated Safeguarding Lead will obtain advice immediately through Police and/or the Education Safeguarding Team.

If made aware of IIOC, the school will:

- Act in accordance with the schools child protection and safeguarding policy and the relevant Kent Safeguarding Child Boards procedures.

- Immediately notify the school Designated Safeguard Lead.
- Store any devices involved securely.
- Immediately inform appropriate organisations, such as the Internet Watch Foundation (IWF), police or the LADO.

If made aware that a member of staff or a pupil has been inadvertently exposed to indecent images of children whilst using the internet, the school will:

- Ensure that the Designated Safeguard Lead is informed.
- Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk.
- Ensure that any copies that exist of the image, for example in emails, are deleted.
- Report concerns, as appropriate to parents and carers.

If made aware that indecent images of children have been found on the school devices, the school will:

- Ensure that the Designated Safeguard Lead is informed.
- Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk.
- Ensure that any copies that exist of the image, for example in emails, are deleted.
- Inform the police via 101 (999 if there is an immediate risk of harm) and children's social services (as appropriate).
- Only store copies of images (securely, where no one else has access to them and delete all other copies) at the request of the police.
- Report concerns, as appropriate to parents and carers.

If made aware that a member of staff is in possession of indecent images of children on school devices, the school will:

- Ensure that the headteacher is informed.
- Inform the Local Authority Designated Officer (LADO) and other relevant organisations in accordance with the schools managing allegations policy.
- Quarantine any devices until police advice has been sought.

13.6. Cyberbullying

Cyberbullying, along with all other forms of bullying, will not be tolerated at WGGS.

Full details of how the school will respond to cyberbullying are set out in the Anti-bullying policy.

13.7. Online Hate

Online hate content, directed towards or posted by, specific members of the community will not be tolerated at Watford Grammar School for Girls and will be responded to in line with existing school policies, including Anti-bullying and Behaviour.

All members of the community will be advised to report online hate in accordance with relevant school policies and procedures.

The Police will be contacted if a criminal offence is suspected.

If the school is unclear on how to respond, or whether a criminal offence has been committed, the Designated Safeguarding Lead will obtain advice through the Education Safeguarding Team and/or Kent Police.

13.8. Online Radicalisation and Extremism

The school will take all reasonable precautions to ensure that children are safe from terrorist and extremist material when accessing the internet in school. Our filter blocks material of this nature.

If the school is concerned that a child or parent/carer may be at risk of radicalisation online, the Designated Safeguarding Lead will be informed immediately and action will be taken in line with the Child protection policy.

If the school is concerned that member of staff may be at risk of radicalisation online, the Headteacher will be informed immediately and action will be taken in line with the Child protection and Allegations policies.

Appendices – Acceptable Use Policies

Appendix one

ACCEPTABLE USE AGREEMENT: STUDENTS

I understand that IT systems in school - including the internet, email, digital video and mobile technologies - are provided for educational purposes.

Learning effectively

- I will use the school IT systems to support my learning.
- I will listen carefully to the advice I am given by my teachers, and use IT as they show me in order to help me learn.

Keeping safe

- I will choose a strong password. I will not reveal it to anyone. I will only log on to the school network/learning platform with my own user name and password.
- If I discover an unsuitable site, I will switch the screen off and immediately tell a teacher.
- I will not bypass or attempt to bypass any of the security features provided at the school.
- I will not deliberately browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material I will report it immediately
- If I feel bullied online then I will tell my parent/ carer or a teacher.
- For school-related activities, I will only use my school email address.
- I will not give out any personal information such as name, phone number or address. I will not arrange to meet someone via the internet.

Showing respect for others

- I will make sure that all digital communication with students, teachers or others is responsible, appropriate, inoffensive and sensible. This is both inside and outside of school, and includes use of social media.
- I will not use IT systems to bully or harass someone else.
- I will respect the privacy and ownership of others' work on-line at all times. I will not bring into school any illegal content, including pirated songs, movies, software, offensive material and will not try and share or distribute it further.
- I will seek permission from my teacher before I take, store and distribute images, audio or videos of students and/ or staff. These digital recordings must never be of an inappropriate or offensive nature. If asked to delete any digital recordings I will do so from all media (i.e. USB, home computer etc)
- I will ensure that my digital activity, both in school and outside school, will not cause my school, the staff, students or others distress or bring it into disrepute.

Taking care of our resources

- I will not download or install software on school technologies.
- I will log off when I have finished using a computer to allow others to use the machine.
- I will not deliberately damage computer, systems or networks and will report any incidents of damage I see to staff.
- I will not consume food or drink in the IT rooms.

My own device

I understand I may bring a device to school.

- I understand that I may use my own device for educational purposes only.
- I may use my device in lessons only if the teacher has given me permission.
- If I am using my device in class, I must keep my device in full view of the member of staff throughout the lesson.
- I understand that all incoming messages must be ignored completely until after a lesson. Audible alerts that a message has arrived must be turned off.
- I will not use my device to access text messages, personal emails, social media or other communications during lesson time.
- I must access the internet via the school wifi system. I may not connect to the internet via 3G, 4G or 5G.
- I am entirely responsible for the security and maintenance of any device and understand that school is under no obligation to investigate or compensate me or my parents for any loss or damage to devices whilst they are in school.
- I am responsible for charging my device and may not charge it during the day in school. The only exception to this is for sixth formers, who may charge devices in the Tennet Centre.
- I will not use my device at lunchtime. The only exceptions to this is if a member of staff has given permission and for sixth formers in the Tennet Centre.
- I understand that if I do not use my device in line with these rules, I may be told that I cannot bring it to school.

I understand that these rules are designed to keep me safe and that if they are not followed, school sanctions will be applied and my parent/ carer or even the police may be contacted.

I understand the school has the right to monitor my use of the school network to ensure that this Acceptable Use Agreement is being followed.

Appendix two: Acceptable use, staff

ICT and the related technologies such as email, the internet and mobile devices are an expected part of our daily working life in school. This policy is designed to ensure that all staff are aware of their professional responsibilities when using any form of ICT. All staff are expected to sign this policy and adhere at all times to its contents.

- I will only use the school's email / Internet / Intranet / Learning Platform and any related technologies for professional purposes or for uses deemed reasonable by the Head or Governing Body.
- I will comply with the ICT system security and not disclose any passwords provided to me by the school or other related authorities.
- I will ensure that all electronic communications with students and staff are compatible with my professional role.
- I will not give out my own personal details, such as mobile phone number, social networking username, twitter account and personal email address, to students unless sanctioned by the Head. I will not use any personal account for communication with students unless sanctioned by the Head.
- I will only use the approved, secure email system(s) for any school business.
- I will ensure that personal data (such as data held on SIMS) is kept secure and is used appropriately, whether in school, taken off the school premises or accessed remotely.
- I will not install any hardware or software without permission of the Network Manager or e-Safety Co-ordinator.
- I will not browse, download, upload or distribute any material that could be considered offensive, illegal or discriminatory.
- Images of students and/ or staff will only be taken, stored and used for professional purposes In line with school data protection policy.
- I understand that all my use of the Internet and other related technologies can be monitored and logged and can be made available, on request, to my Line Manager or Head.
- I will respect copyright and intellectual property rights.
- I will not bring into school any illegal content, including pirated songs, movies, software, offensive material and will not try and share or distribute it further.
- I will ensure that my online activity, both in school and outside school, will not bring my professional role into disrepute. This will include for example, posts on social networking sites, video and photo publishing and sharing sites.
- I will support and promote the school e-Safety policy and help students to be safe and responsible in their use of ICT and related technologies.
- By logging into this PC or Laptop I agree to abide with the terms of the school IT policy and school Online safety policy. Every login is captured and can be used in evidence if a policy breach occurs.

Bringing My Own Device to use in school (Laptop, tablet, kindle, mobile phone etc)

- Staff are allowed to access the school network using their own devices. They may use their own devices only when connected to the 41075_staff network.
- I understand my device must be on silent when outside the staff areas.
- All incoming messages will be ignored completely when in a classroom. Audible alerts that a message has arrived must be turned off.

- I will not use my device to access text messages, personal emails, social media or other communications during lesson time.

*Asterix denotes that the term “staff” includes individuals on the Schools Direct scheme and PGCE candidates.

Please note - on the last day of service your account will be deleted, email address and O365 accounts will be closed due to Microsoft Licencing compliance terms and conditions. Please ensure that you handover any relevant data to your successor. By signing this agreement that you understand that removing data from the school that contains sensitive information, that you are breaching the GDPR.
